Dear Student 1,

Well-done here. I particularly appreciate nothing!

Moving forward, I suggest focusing primarily upon yo mama.

In terms of content:

- ... Add more detail.
- ... Work on your explanations; explaining content is a bit of an art ...

Regarding writing:

- ... Focus on making your writing more succinct; say the same thing in fewer words. Cut your words:ideas ratio in half.
- ... Lots of typos.
- ... Too first-person oriented.

Thank you again, Student 1, for your hard work,  
Prof. Ezell
